

## The Rise & Rise of Allergies

What you can do about it...

with Daniel Baden,
Executive Director & Co-Founder
of BioMedica Nutraceuticals

Naturopath & Homeopath

Join us each month to learn the latest in Nutritional and Integrative Healthcare for the whole family.

- Learn about special diets, supplements, and therapies from global health experts
  - Meet local Integrative practitioners who can help guide you
    - Connect with local families who can provide support
      - **Discover** essential health products and services in your area
        - Be inspired by cooking demos and sample nutrient-rich foods

## Get the **Answers** for:

ADHD, allergies, anxiety, asthma, autism, chronic fatigue, depression, digestive issues, infections, learning and language delay and a range of brain-immuno-gut conditions
